

ABOUT BUILDERS' BOOST

Equis Financial's Builders' Boost is a program designed to incentivize Regional Managers by providing a stipend to offset the costs of a brick and mortar office and overhead expenses that may come with building their agency.

QUALIFICATION

In order to be eligible for Builders' Boost, managers must maintain the qualifications set forth as the Regional Manager qualifications in The Equis System Promotion & Bonus Guidelines.

Minimum production for stipend eligibility is **\$50,000** per month. All stipend amounts are based on the previous six-month's average monthly net paid APV, excluding unreported and controlled business and premiums capped at **\$5,000**. Maximum monthly stipend is **\$2,500** per month.

Builders' Boost does not create an employer/employee relationship, joint venture, partnership or other business relationship between Equis Financial and participating managers. Managers will continue performing their duties as independent contractors and will be in total control of the nature and manner in which their duties are performed. By participating in Builders' Boost, managers will continue to use their knowledge and experience, along with their monthly stipend, to develop and expand their network of downline agents.
