

# Announcing **Quick Quote** feature in Life**||**CENTER

Would you like to provide your clients with a quick, high-level Final Expense quote? With our new Quick Quote feature, now you can!

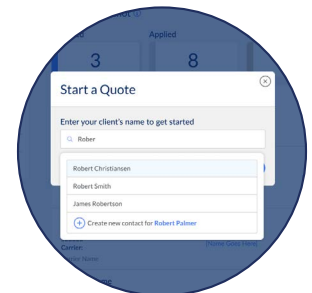

## **Quote from any page**

Create a new contact or start a quote from any page within LifeCENTER. Simply click Quick Quote in the navigation bar to get started.

## **Streamline your process**

Quick Quote allows you to immediately create a new contact with minimal input. Simply add your client's name and phone number or email address. From there, you can quickly generate a quote with just a few details.

## **Get quotes for both Health and Life**

Whether you offer health or life products, the Quick Quote feature allows you to create quotes for both.

With Quick Quote, you can work faster and more efficiently, and provide your clients with the information they need to make decisions.
