

Pre-Licensing Course Registration

Sign up for your free pre-licensing course through XCEL now!

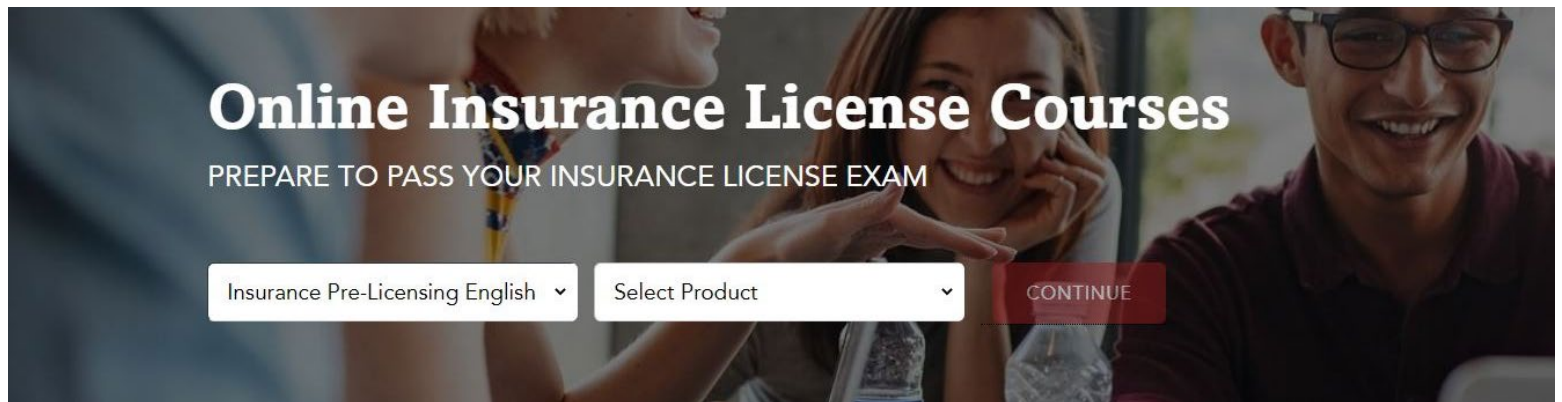

Written by James Willis

Last updated 3 minutes ago by James Willis

Your first step as an unlicensed agent is to start preparing for the State Licensing Exam. The XCEL pre-licensing course will equip you with the information needed to pass your exam and familiarize you with your respective state's Life and Health license regulations and requirements.

[Click here to register!](#)

Select "Insurance Pre-Licensing English" and then select your resident state from the "Select Product" drop-down menu.

Add a course to your cart and proceed to checkout. To apply discounts to your registration and activate your free course access, enter your direct upline's name in all caps, with no spaces in the "Discount code" field. (Example: JOHNSMITH).
