

THE EQUIS PLATFORM

WE BUILD PEOPLE, NOT SALES!

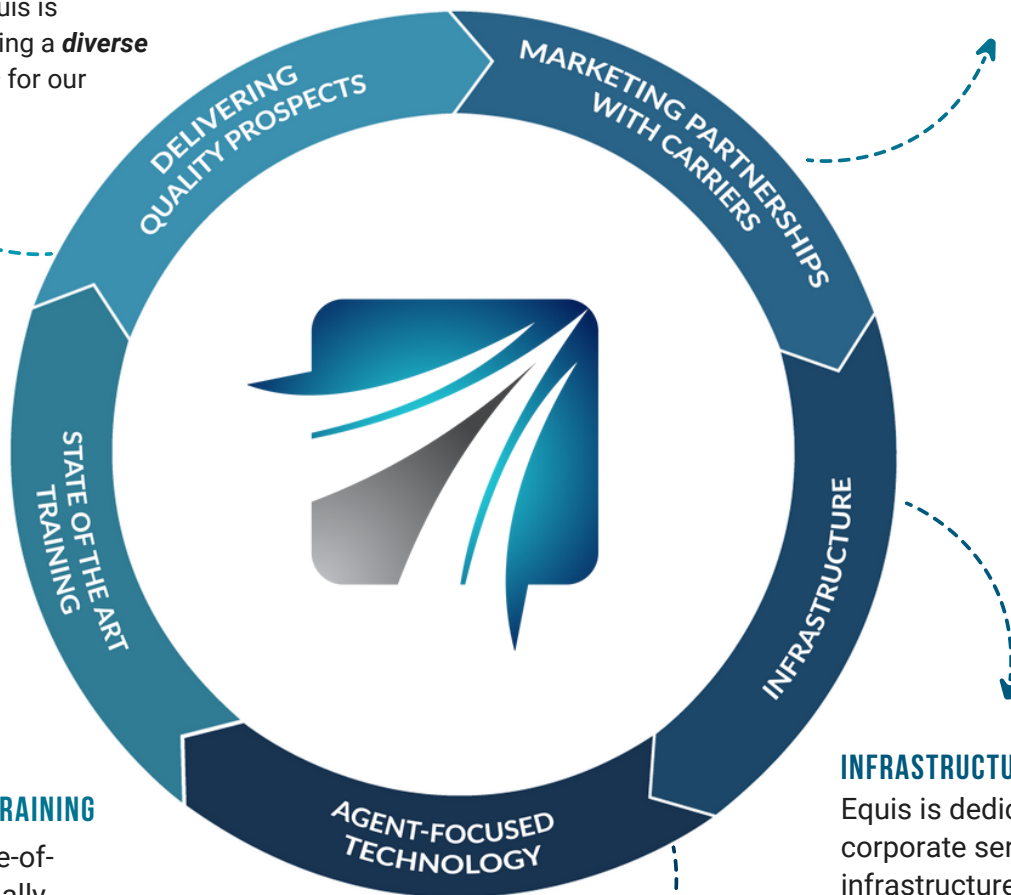

DELIVERING QUALITY PROSPECTS

Equis provides a Marketing (Leads) Program for agents who are qualified and want to invest in their business. Equis is committed to providing a **diverse portfolio of products** for our agents.

MARKETING PARTNERSHIPS WITH CARRIERS

Equis is currently contracted with over 40 national carriers to serve the needs of our agents and clients. Equis also maintains amazing vendor relationships to serve agents' needs.

STATE-OF-THE-ART TRAINING

Equis provides state-of-the-art training virtually as well as face-to-face through our online training center, weekly and monthly training calls, and in-person meetings across the country every quarter.

INFRASTRUCTURE

Equis is dedicated to our corporate service infrastructure which is comprised of home office support built for maximum efficiency so that we can continue to pay our monthly producer and builders bonuses.

AGENT-FOCUSED TECHNOLOGY

Equis gives you agent-focused, proprietary technology rated the best in the industry. Our web-based application provides every tool you could possibly need to successfully run a profitable business. Development continues daily based on agent feedback.
